

# Can-U-Dance

## The Deelee

Einstein  
You say wine time  
I say high time  
We say dance I got my juke box playing in the back, girl  
And it's rockin'  
Because I feel like I wanna rock the block, girl  
No talking I like to see what you can do  
When you drop your guards and get loose  
I wanna make you feel faint  
And be your main man rockin' 'round the block, girl  
Non-stoppin' I'm kinda hot, hey, come and see  
You don't have to be told, I've got a dance degree  
I'm always smokin', I don't be jokin'  
I'll leave you chokin', I say ooh, all I wanna know is Ooh, you, all I wanna know is  
Can-u-dance  
Ooh, you, all I wanna know is  
Can-u-dance  
Ooh, do it like this, ooh Good God Now I'm a stone cold rocker from The Deelee y'all  
No jivin'  
What I need is someone to get the feel y'all  
And ride it I wanna block you in a corner  
Make your temperature a little warmer  
Now do you think that you can hang  
I'll work you hard till you think you're in a tank, girl  
With no goggles I'm kinda hot, hey, come and see  
You don't have to be told, I've got a dance degree  
I don't be jokin', I'm always smokin'  
I'll leave you chokin', I say, ooh, all I wanna know is Ooh, you, all I wanna know is  
Can-u-dance  
Ooh, you, all I wanna know is  
Can-u-dance  
Ooh, do it like this, ooh Good God Einstein  
You say wine time  
I say high time  
We say dance now Deelee, sing Ooh, you, all I wanna know  
Ooh, you, all I wanna know  
Kayo, play  
Ooh, you, all I wanna know  
Ooh, you, all I wanna know I say now, ooh, you, all I wanna know is

Can-u-dance

I say now, ooh, you, all I wanna know is  
Can-u-danceOoh, you, all I wanna know is  
Everybody, ooh, you, all I wanna know is
