# Sleeping Giant

## Candlemass

Buried deep under miles of ice
The sleeping giant frozen lies
Covered in frost since dogs could fly
Icy tear in star-drenched eyeSolar rays... electric clouds
Thunder bolts... don't wake him upMountains die and mountains form
You see no light, no polar storm
His hammer smashed whole worlds to dust
The legend that was colossus
Solar rays... electric clouds
Thunder bolts... don't wake him upSleeping sleeping giant
Once you were a king
Sleeping sleeping giant
The lord of everything
Sleeping sleeping giant
You fell from silent skyes
Sleeping sleeping giant
Soon the sun will melt the iceA god among the ants he was
But the people were afraid of course
He was the thing that should not be
A freak of nature, unhuman beingSolar rays... electric clouds
Thunder bolts... don't wake him up
Sleeping sleeping giant
Once you were a king
Sleeping sleeping giant
The lord of everything
Sleeping sleeping giant
You fell from silent skyes
Sleeping sleeping giant
Soon the sun will melt the iceSleeping sleeping giant
Sleeping sleeping giant
Sleeping sleeping giant
Chained under the earth...
Sleeping sleeping giant
One day you will return... yeah
