

At It Again

Pat McGee Band

You've taken it all
you take me away from my life
and there's no one there to blame but myself
you've taken my eyes
robbing me blind of my tears
and that's just fine
and never say the words
say the words
don't say themYeah, yeah
you know you're tearing me up
you're holding me down
you're at it again
Yeah, yeah
you know you're leaving me out
without any doubt
you'll do it again
again and againyou've taken it all
i've taken the fall for your life
but not for long
who's right when everyone's wrong
i'll take on the pain
for awhile
once in your life
just show a smile
and end this fight tonight*chorus*you know in
loneliness i hide
but i can't forever
take a look inside
if you don't remember
if you don't remember
say the words
say the words
don't say them*chorus*
