

It's Over Now

Natasha Thomas

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you're hot
I don't wanna believe that it's over now

lalalala lala lalalala lala lalalala

Can you tell me your secrets?
Then I'll tell you mine
Show me that you still love me
Then I will show real love
Oh baby

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you're hot
I don't wanna believe that it's over now

lalalala lala lalalala lala lalalala
(It's over now)

You are walking the wire
Looking for a loving between
But you don't have desire
Do you know what I mean
Uh baby

What kind of love have you got
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you're hot
I don't wanna believe that it's over now

It's over now

Wake up you lose my loving
Wake up you stop thinking
Think twice about the things
That you have said and done

Wake up you lose my loving
Wake up you stop thinking
Think twice about the things
That you have said and done

lalalala lala lalalala lala lalalala

What kind of love have you got?
You should be home but you're not
I don't wanna believe that it's over now
I could be wrong but I'm not
And you still think you're on hearth
I don't wanna believe that it's over now

lalalala lala lalalala lala lalalala

lalalala lala lalalala lala lalalala

It's over now
