

Ain't That Loving You Baby

Elvis Presley

I could ride around the world
In an old oxcart
And never let
Another girl thrill my heart
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you so?
I could meet a hundred girls
And have loads of fun
My huggin' and my kissin'
Belong to just one
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you so?
If you gave me nine lives
Like an alley cat
I'd give 'em all to you
And never take one back
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you so?
I'm putting on my Sunday suit
And I'm goin' downtown
But I'll be kissin' your lips
Before the sun goes down
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you baby?
Ain't that lovin' you so?
Ain't that lovin' you baby?
Ain't that lovin' you so?
