Oh, let me tell you, let me tell you, got a winner  
Got your numbers on the ticket, hit the lottery so lucky for you  
Hm, you'll be feelin' so rich, gotta take, cause my love is  
Worth a million and everythin' I plan the other day(Pre-Chorus)  
You can't deny it, can't you tend it by the sample boy  
Despite it, oeh. My touch is minus you're the foolish when  
I'm givin' you the gold. Not everybody get this luckyChing ching take the money and runOh come and get it,  
come and get it, you're a winner  
Got your numbers on the ticket, hit the lottery so lucky for you(Pre-Chorus)Boy you're the only one I want. I  
just wanna give you the  
Best of me, give you the best of me. Tonight you'll been  
Swimmin' in my love, I just wanna cover you up in me. I'll
