Walk Away

Jenn Grant

I dont miss you*
Til I cant kiss you
Oh Why, oh why
Love so tender
Please stay forever mine
Oh why
You had it all
You got lost I the game
You got what you asked for
You got lost in the way we played
[Chorus:]
Dont walk away, walk away, walk away,
Dont walk away, walk away, walk away, walk away,
Dont walk away, dont.
I dont need you
Til I cant see
Can i? oh why
Loves the mender
Please stay together mine
Mine
You had it all
You got lost in the game
You got what you asked for
You got lost in the way we say
[Repeat Chorus:]
I could have been nice
But my heart said go and think twice
If youve got a hole in your heart
Everybodys got one and everybodys got to stop
Quiet chorus
[Repeat Chorus:]
Ah ah ah ah ah ah ah ah
Oh oh oh oh oh oh oh oh
[Repeat:]
(you know I love you girl
I just wanna be
Dont make me so sad)
