What A Good Man He Is

Tammi Terrell

Say, that man of mine, he's as sturdy as a rock
Made out of real good stuff, he's made out of real good stock
With the big strong arms and hands that he has
He knows how to handle me like I was made out of glassPretty good lovin'
(Pretty good lovin')
Pretty good kissin'
(Pretty good kissin')It seems so unreal that this man of steel
Could possess such a tender feel
Let this girl tell the worldOh, what a good man he is
(Oh, what a good man he is)
Wo, wo, what a good man he is
(Oh, what a good he is)He makes the fact that he loves me clearly understood
He makes me feel so happy, girl, that he makes me feel so good
He knows that I need lovin' and I don't need neglect
So he comes around me constantly to make sure that I getPretty good lovin'
(Pretty good lovin')
Pretty good kissin'
(Pretty good kissin')Nothing know I that he doesn't try
To keep my hopes up high
Let this girl tell the worldOh, what a good man he is
(Oh, what a good man he is)
Wanna tell the world about my baby
(Oh, what a good man he is)All right
(Yes indeed, it's him I need)
(Yes indeed, it's him I need)I wanna say that man of mine is determined as can be
To make a good life for him and make a good life for me
Works every day grindin' the ax
But I know what to give him when it's time to relaxPretty good lovin'
(Pretty good lovin')
Pretty good kissin'
(Pretty good kissin')Days that he's mean I've seldom seen
They're far and few between
Let this girl tell the worldOh, what a good man he is
(Oh, what a good man he is)
Wanna tell the world about my baby
(Oh, what a good man he is)Wo, wo, wo, wo, wo, what a good man he is
(Oh, what a good man he is)
Got a whole lot of other
(Oh, what a good man he is)Don't worry I'll love another, no

(Oh, what a good man he is)
Let this girl tell the worldWo, wo, wo, wo, wo, what a good man he is
(Oh, what a good man he is)
Got a whole lot of other
(Oh, what a good man he is)Don't worry I'll love another, no
(Oh, what a good man he is)
Let this girl tell the world
