Step Aside

Tamela Mann

Hold on donâ€™t give up
Donâ€™t you worry you donâ€™t have to cry
God sees, He sees what youâ€™re going through, oh yes does
God is willing and Heâ€™s able
This didnâ€™t catch Him by surprise
So if you would trust Him, just step, step aside, oh yeah

And be still, donâ€™t question it
For these obstacles they were allowed
Yes, he wants to take you
Take you higher, higher if you hold on....
God is willing; and he's able
This didnâ€™t catch Him by surprise
So if you would trust Him and step, step, step aside

Ohh! He is faithful.
My God is faithful to do what He said He would do
And if He said it I believe it
Thereâ€™s nothing He canâ€™t do

If youâ€™ll stand on His Word
Cast your cares on Him
For He knows and He loves you
He did it for me, I thank Him

Step, step aside
Get out of his way
My God will fix it for you
Lean on Him, cast your cares on Him
Lean not to your own understanding
My God will work it out

Step, step aside
My God will, He will do it, yeah
Hold on, He is so faithful,
Heâ€™ll never leave you, He wonâ€™t forsake you
Youâ€™re not in this thing alone

Step, step, step aside
Lean on Jesus

He cares, He cares for you
Lord Iâ€™ll get out of your way
I know youâ€™re able

If your step, step, step aside

Hallelujah
Heâ€™ll do it, yes he will

Get out of His way
