My Guiding Light

Evermore

Running around this town
Looking for something
That I know I'll never find
Running out of breath
I gotta learn to see things
In a different lightWhen the light turns dark
And I can't find my way
When I'm falling down
Will you take my hand, tonight?Show me the right way
Show me the right way to go
Show me the right way to go and
I'll meet you there
My guiding lightBack on my feet again
Where you're taking me
Is still a mystery
I'm never looking back
Cause what I left was only
Gonna drag me downWhen the day turns night
And I start to loose my grip
When I'm on my knees
Will you take my hand, tonight?Show me the right way
Show me the right way to go
Show me the right way to go and
I'll meet you there
I'll meet you there
I'll meet you there
I'll meet you thereShow me the right way
Don't leave me here on my own
Deserts and highways have left me
With nowhere to goShow me the right way
Show me the right way to go
Show me the right way to go and
I'll meet you
Show me the right way to go and
I'll meet you there
My guiding light
