

Exit Music [For A Film]

Radiohead

Wake from your sleep
The drying of your tears
Today we escape
We escapePack and get dressed
Before your father hears us
Before all hell breaks looseBreathe keep breathing
Don't loose your nerve
Breathe keep breathing
I can't do this aloneSing us a song
A song to keep us warm
There's such a chill, such a chillYou can laugh
A spineless laugh
We hope your rules and wisdom choke youNow we are one
In everlasting peaceWe hope that you choke, that you choke
We hope that you choke, that you choke
We hope that you choke, that you choke
