

One of Those Days

Ocean Colour Scene

And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah And it looks like one of those days
When I'm holding the same old conversation
Losing concentration And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah And it looks like one of those days
When I'm holding the same old conversation And it looks like one of those days
When I'm losing all my concentration And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah And it looks like one of those days
When I'm holding the same old conversation And it looks like one of those days
When I'm losing all my concentration
