

# You Saved Me Tonight

[Anthony Callea](#)

Almost felt invisible  
Like the shadows on the wall  
So many nights I prayed  
That's when you said to me  
Be what you want to be  
And don't be afraid  
I know, I can't be wrong  
I feel you, beside me[Chorus:]  
Every time that you believed  
You were there to carry me  
Now here I stand  
I know who I am  
You knew how to guide me  
Now this moment feels so right  
I never thought that I could win this fight  
Until you saved me tonight You were just a step behind  
When the strength was hard to find  
Your love it set me free  
When no one understands  
I feel your healing hands  
And they were there to catch me  
I know, I can't be wrong  
I feel you, beside me[Chorus]
