

Easy Come, Easy Go

Bill Anderson

If it's true what you say in your letter if your sweet love for me is really gone
If there's somebody else that you love better
Pack your bag shake my hand and move along Easy come easy go I found that long time ago
Ain't no future in the past broken hearts and all that jazz
No tears of mine're gonna flow I'll have another love tomorrow easy come easy go So you took my photograph
from your locket
And replaced it with the one you love the best
Give me back my ring and I'll go hock it what's one little diamond more or less Easy come easy go...
Easy come easy go...
