

# Feeling Kind of Anxious

## Franz Ferdinand

Come on, let's get high  
Come on  
Come on, let's get high But you got to stop  
Twenty five miles  
High Come on Lexxo  
What you got next?  
Walking twenty five miles  
High Come on, let's get high  
Come on, let's get high  
Come on, let's get high  
Come on, let's get high  
Come on, let's get high, high La, la, la, la, la, Ulysses  
La, la, la, la, la, Ulysses  
I've found a new way  
I've found a new way, baby Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses? Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses?  
Am I Ulysses? Am I Ulysses? No, but you are now, boy  
Feeling kinda anxious  
Yeah, everyone, everybody knows it La, la, la, la, la, Ulysses  
I've found a new way  
I've found a new way, baby La, la, la, la, la, Ulysses  
I've found a new way  
I've found a new way, baby Oh, oh, then suddenly you know  
You're never going home  
You're never, you're never  
You're never, you're never  
You're never, you're never You're never, you're never  
You're never, you're never  
You're never, you're never  
You're never, you're never  
You're never going home Not Ulysses, baby no  
La, la, la, la, ooh  
You're not Ulysses, ooh  
La, la, la, la, ooh
