

Here Comes the Sun

Yuna

Here comes the sun, here comes the sun
And I say it's all right Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here
Here comes the sun, here comes the sun
And I say it's all right Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes Here comes the sun, here comes the sun
And I say it's all right
