# Think of Laura

## Christopher Cross

Hey Laura, Laura
Hey Laura, LauraEvery once in a while I'd see her smile
And she'd turn my day around
A girl with those eyes stared through the lies
See what your heart was sayingThink of Laura but laugh, don't cry
I know she'd want it that way
And when you think of Laura, well, laugh don't cry
I know she'd want it that wayA friend of a friend, a friend to the end
That's the kind of girl she was
Taken away so young
Taken away without a warningThink of Laura but laugh, don't cry
I know she'd want it that way
And when you think of Laura, well, laugh don't cry
I know she'd want it that wayI know you and you're here
In every day we live
I know her and she's here
I could feel her when I singHey Laura, where are you now?
Are you far away from here?
I don't think so, I think you're here
Taking our tears awayThink of Laura but laugh, don't cry
I know she'd want it that way
And when you think of Laura, well, laugh don't cry
I know she'd want it that way
Well, I know she'd want it that wayHey Laura, hey Laura
I know, she wants it that way
Hey Laura, hey Laura
I know you want it that way
Hey Laura
