Skinny Little Bitch

Angelspit

I overcame my bone structure and metabolism
I made myself engage in mind-numbing conversation
A fad diet left me with skin, bone, and bitterness
Starved myself to a petite listening to repetitive electro shitPray to the fairies
she got her wish
Tied up and vacuous
She made the switch
Step into her carriage
Put on the ritz
Saliva-laced malicious skinny little bitch, singingLA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LAHey, like my tats? Full sleeve, Black and White
Two-tone, no-one's home, in today, out tonight
Shiny, happy, die alone, viscous girls, plastic guys
You keep on scratching my back and I'll scratch out your eyesMembrane of bitterness
Words that rip
Topped off with a tongue with your name on its tip
Hatred for a skeleton, ugly and rich
All wrapped up in a skinny little bitch, singingLA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LAHe is the homecoming queen, hip new breed of cliche
Wears a Tiara made of daggers and is in the top 8
You throw him a kiss he throws hi-voltage bouquets
if he can't have your affection then he'll thrive on your..Hate to the fairies
He got his wish
Tied up and vacuous
He made the switch
Step into his carriage
Put on the ritz
Saliva-laced malicious skinny little bitch, singingLA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LA
LA LA LA LA, LA LA LA LA

LA LA LA LA, LA LA LA LA
LA LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA, LA LA LA LA
LA LA LA LA LA
