Andante, Andante

Bjorn Ulvaeus

Take it easy with me please
Touch me gently like a summer evening breeze
Take your time, make it slow
Andante, andante
Just let the feeling growMake your fingers soft and light
Let your body be the velvet of the night
Touch my soul, you know how
Andante, andante
Go slowly with me nowI'm your music
I am your music and I am your song
I'm your song
I am your music and I am your song
Play me time and time again and make me strong
Play me again 'cause you're making me strong
Make me sing, make me sound
You make me sing and you make me
Andante, andante
Tread lightly on my ground
Andante, andante
Oh, please don't let me downThere's a shimmer in your eyes
Like the feeling of a thousand butterflies
Please don't talk, go on play
Andante, andante
And let me float awayI'm your music
I am your music and I am your song
I'm your song
I am your music and I am your song
Play me time and time again and make me strong
Play me again 'cause you're making me strong
Make me sing, make me sound
You make me sing and you make me
Andante, andante
Tread lightly on my ground
Andante, andante
Oh, please don't let me downMake me sing, make me sound
You make me sing and you make me
Andante, andante
Tread lightly on my ground
Andante, andante

Oh, please don't let me down
Andante, andante
Oh, please don't let me down
