Gullible Few

Dan Sultan

Tenderness spent, pockets open
I'm comin' round to collect my tokennow here we are
here we areI could be blind for the rest of my life
But I can't be wrong all of the timeLove can be true for the gullible few
ooooh yeah.Here in the house of half measures
you and I don't care for the treasures
now the ceilings fallin' in
and it's time for a changeI could be blind for the rest of my life
But I can't be wrong all of the timeLove can be true for the gullible few
ooooh yeah.oooooo now i can be blind for the rest of my life
and i can't be wrong all of the timelove can be true for the gullible few
the gullible few
the gullible few
