Nature Boy

Natalie Cole

There was a boy...
A very strange enchanted boyThey say he wandered very far, very far
Over land and seaA little shy and sad of eye
But very wise was heAnd then one day
One magic day, passed my wayAnd as we spoke of many things,
Fools and kings,
This he said to me"The greatest thing you'll ever learn
is just to love and be loved in return""The greatest thing you'll ever learn
is just to love and be loved in return"
