

# Cemetery Drive (MTV2 2\$Bill) [Live Version]

## My Chemical Romance

This night, walk the dead  
In a solitary style and crash the cemetery gates  
In the dress your husband hates Lay down, mark the grave  
Where the search lights find us  
Drinking by the mausoleum door  
And they found you on the bathroom floor I miss you  
I miss you so far  
And the collision of your kiss  
That made it so hard Back home, off the run  
Singing songs that make you slit your wrists  
It isn't that much fun  
Staring down a loaded gun So I won't stop dying, won't stop lying  
If you want I'll keep on crying  
Did you get what you deserve?  
Is this what you always want me for? I miss you  
I miss you so far  
And the collision of your kiss  
That made it so hard Lay down, way down  
Way down, way down  
Way down, way down  
Way down, way down I miss you  
I miss you so far  
And the collision of your kiss  
That made it so hard I miss you  
Well I miss you so, far  
And the collision of your kiss  
That made it so hard  
Made it so hard Lay down, way down  
Way down, way down  
Way down, way down  
Way down, way down  
Way down
