

# Blue Glasses

## Smokey & Miho

You say that all your love is mine  
But like the way this comes and goes away  
Just like a moonlight and a tide  
Sometimes I feel you pull away from me  
Oh, say you want my love tonight  
Is it awaiting on a new moon day?  
Tell me, just light my love for you  
You make me feel the gentle moonlight on my face  
I lie awake and watch you sleep  
With every breath you take my heart grows weak,  
And in the morning when you rise  
I'll soon be dreaming here in paradise  
Oh, say you want my love tonight  
Every new moon day you hold me to tight  
You tell me, just light your love for me  
You make me feel the gentle moonlight on my face  
Oh, say you want my love tonight  
Is it awaiting on a new moon day?  
Tell me, just light my love for you  
You make me feel the gentle moonlight on my face  
Every night I just poured my heart  
Interest I find in you inside my dream.  
You wear blue glasses in your heart  
How can I see the world like you do?  
Oh, say you want my love tonight  
Every new moon day  
You hold me to tight  
You tell me, just light my love for you  
You make me feel the gentle moonlight on my face  
You make me feel  
The gentle moonlight  
On my face
