

# Worth The Pain

## Disciple

The light at the end has faded away  
One terror after another  
Somewhere in the fire  
The embers of faith  
Will burn through tomorrow  
You're breathing It's worth the pain  
God's in the rain  
It's not too late to start again  
It's worth the pain  
So hold on tonight Your passionate eyes try to explain  
All the blindness you're feeling  
The six feet of lies exposed in His fire  
Resurrecting your sunrise  
You're breathing There's grace  
When you're at your wit's end  
Begging for it  
He'll take you by the hand  
There's grace
