

Rose of My Heart

[Johnny Cash](#)

We're the best partners this world's ever seen
Together as close as can be
But sometimes it's hard to find time in between
To tell you what you mean to me You are the rose of my heart
You are the love of my life
A flower not fading, nor falling apart
If you're tired, rest your head on my arm
Rose of my heart When sorrow holds you in its arms of clay
It's rain drops that fall from your eyes
Your smile is a sun come to earth for a day
You brighten my blackest of skies You are the rose of my heart
You are the love of my life
A flower not fading, nor falling apart
If you're cold, let my love make you warm
Rose of my heart So hard times or easy times, what do I care
There's nothing I'd change if I could
The tears and the laughter are things that we share
Your hand in mine makes it good You are the rose of my heart
You are the love of my life
A flower not fading, nor falling apart
If you're cold, let my love make you warm
Rose of my heart You are the rose of my heart
You are the love of my life
A flower not fading, nor falling apart
If you're cold, let my love make you warm
Rose of my heart
