On A Saturday Night

Journey

Mama said, she said it's gonna be alright
Yes she did, well come to bed and turn out the light
She's sleeping there, she's dreaming through her life
Yes she is

Well you know you've done no wrong
All you done is sing this song
You sing this song, yeah
On a Saturday night
On a Saturday night
Everything is alright

That's when the bad man meets his fate
Sitting there, you're feeling only second rate
You're sorry now, you've come a little bit too late
Yes you did

But when you come around
You only bring you down
You feel a clown, yeah
On a Saturday night
On a Saturday night
Everything is alright, yeah

Mama said, she said it's gonna be alright
You know she said, you've got to see the coming light
You know you are, you're riding through your life
Yes you are

Well you know you've done your best
All you need's a little rest
You've done your best, yes

On a Saturday night
On a Saturday night
Everything is alright
Everything is alright

Saturday night
Saturday night
