

Deep Red

VAMPS

The ruby glitters in deep red
te ni nareta yubisaki
nerai sadameru you ninginga wo tataeteru
yosou manazashi
Smell as dangerous as poisons
sumetai kao to urahara
sugu ni nusumaretai? Love to love in search of love
osaerannai yoku no dorei
Deeper deepening going deep
haitoku ga tekido na supaisu Love to love in search of love
nisemono demo ii kara
Deeper deepening going deep
te ni irete mitai dake hodoketeku sekyuriti
kodou sae tokedashite
sho-to shi sou na kankaku
Tickling breath and butterfly kiss
kangaezu honnou no
kanjiru hou he ugoite yubisaki ga furetara
hibiite nariyamanai Love to love in search of love
osaerannai yoku no dorei
Deeper deepening going deep
haitoku ga tekido na supaisu Love to love in search of love
nisemono demo ii kara
Deeper deepening going deep
te ni irete mitai dake Time limited

osaerannai yoku no dorei
Deeper deepening going deep
haitoku ga tekido na supaisu Love to love in search of love
nisemono demo ii kara
Deeper deepening going deep
