

# Kick A Little (Album Version)

## Little Texas

My daddy always a gentle man  
Never the kind to ever force his hand  
He would always be the last one to raise his voice  
If anybody ever put us down  
Well you can bet that he would stand his ground  
Then he would tell me son sometimes you got no choice You've got to kick at little and cause a stir  
Sometimes you got to make some noise to be heard  
If anybody ever tries to hold you back  
Yeah you got to kick a little and be tough  
You got to let 'em know you've had enough  
Remember that unless you want to finish last  
You've got to kick a little Some people judge you by the way you look  
They see you once and say you ain't no good  
Feels like they're never goona take you for who you are  
That's when you have to stand up and be strong  
And go the extra mile to prove 'em all wrong  
Just remember when they push you way too far You've got to kick at little and cause a stir  
Sometimes you got to make some noise to be heard  
If anybody ever tries to hold you back  
Yeah you got to kick a little and be tough  
You got to let 'em know you've had enough  
Remember that unless you want to finish last  
You've got to kick a little
