

One Of A Kind

Donna Summer

You're one of a kind
I gotta have ya
Well you're one of a kind
I need to have ya
Right from the start
You tore me apart
You took the best part
Of my heart
Body and soul
You took me out of control
You stole the best part
Of my heart
You're one of a kind
You've got magic
I know you're one of a kind
Baby you're static

Right from the start
You tore me apart
You took the best part
Of my heart
Body and soul
You took me out of control
You stole the best part
Of my heart
Right from the start
You tore me apart
You took the best part
Of my heart
Body and soul
You took me out of control
You stole the best part
Of my heart
