

# Hey Shawty

## I-20

Hey hey, hey hey, hey shawty  
Hey hey, hey hey hey, hey shawty  
Hey hey, hey hey hey, hey shawty  
Hey hey, hey hey hey, hey shawty  
Swisher in my ear when I'm rollin' up  
I see this beautiful whore, she finer than a mutha' fu'  
Got ya hair and ya nails did, got the little kid with the cashews  
With an attitude that you could never lose  
I know you think I'm paid because I'm lookin' at ya car  
Just call me Old E 'cuz baby, you the star  
I see you lookin' at me, lookin' at you  
That voodoo that you do got me gone so I sing a song  
(Hey shawty)  
For times I'm alone with the number of your phone  
You givin' me the eye so I know it's really real on  
First let me tell you 'bout my baby mama at home  
And as you'll find out, it's time to time out  
You in the same situation  
The love probation got you fiendin' for some dick, you ain't slick  
But you got your hair right  
Plus you look and smell good and it read right  
Hey shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
Shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
I been all over the world, look for a fine girl I could trust  
Lookin' me up and make a nigga better  
[Unverified] you up and know I got you lovin' to fuck  
I can't wait 'til I get home  
Lay down, is you feelin' me now, let me hold ya boo  
Take a picture with ya, let me get close to you  
I'm a give it to you like a nigga 'posed to do  
You overdue, I'm a hit you like you told me to  
Slow ya roll 'cuz I'm a make you love me slow  
Before you go, don't even wanna open the door

I'm in you again, we smokin', eyes rollin' again  
We in the bed, got ya legs up, pumpin' again  
Please ya good, ya need, I'm a feed you good  
Feed you good, my girl don't need no nigga  
Rubbin' ya down, I'm so in love with your mind  
And it's the first time, so let me tell, girl, I'm lookin' for  
Hey shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
I's at the club, kickin; it and watch them hoes shake  
Puffin' on weed, guzzlin' gin and O.J.  
I was fucked up, itchin to bust a fast nut  
Lovin' nothin' but sluts who back that ass up  
Then I met you, me sweat who, sweat you?  
If I did it was to caress and undress you  
You was off the chain with the eyes  
Nice smile, fat butt, big breasts too, I had to stress you  
To see if you was gonna let me hit it and run  
Whip it and quit it, because you made it quicker to come  
But you told me, slowly, no, no  
Plus you'll never ask me for no dough  
Now I mention the [unverified], me and you been livin' it up  
Things done changed, but now you been givin' it up  
I'm deep in ya guts, havin' women and squeezin' ya butt  
[Unverified] status wit' the position to chill  
Hey shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
Shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
You say you need a nigga  
That could take you to your destiny, ecstasy  
I can take you there, right hand up in ya cock  
Left hand strokin' through yo' micro-braided hair  
I'm a make you come  
Tantilizing erotic pleasure for both of us, let me ease your pain  
Come and let me heat your flame  
Relax as I ease your strain as I beat your thing  
Not the one to eat your thing  
I leave that to your lucious, lunch box, cocksucker for free  
But if you keep it on the low-low, I'm a hurt if you don't know

You can keep the cock in it for me  
Shit, if you don't give a damn if we, I'm a bring the whole family  
[Unverified] the house of Girbauds  
Eighteen, [unverified], Giaminar [unverified]  
Run a train, make the pussy pop afar, bring it on  
Hey shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty  
Shawty, shawty, shawty, shawty  
Fiendin' for some pussy 'cuz I need me a shawty  
Shawty, shawty, shawty, shawty  
I can be your nigga but you can be my shawty
