

# Closet Religion

## Dottie Peoples

I don't have a closet religion  
I can't hide the God I serve  
I got to let the world know  
Where ever I go  
I got to praise and serve the Lord  
Oh serve the Lord

King Darius, made a decree  
there won't be no praying around here,  
whosoever call on any God's name  
will be cast into the lion's den  
Daniel didn't pay the king no attention  
Three times a day he prayed to God anyway  
When confronted with the consequences of the lion's den  
I can hear old Daniel say

All night, Daniel stayed in the lion's den  
In the morning, to the king's surprise  
God sent his Angels, to shut the lion's jaw  
And Daniel was still alive  
Daniel used the lions for a mattress and a pillow  
And the Angels rocked Daniel to sleep  
When he got up, Daniel let, everybody know  
I'm not ashamed of the God I serve.

How many of you can say I don't

I don't (I don't have a closet religion)

I don't (I don't have a closet religion)

I'm not ashamed of the God I serve (I don't have a closet religion)

Ask the Hebrew boys, (I don't have a closet religion)

They'll tell you they're not ashamed (I don't have a closet religion)

How many of you are not ashamed (I don't have a closet religion)

Of the God you serve (I don't have a closet religion)

I don't (I don't have a closet religion)

I don't (I don't have a closet religion)

I don't (I don't have a closet religion)

Have a closet religion (I don't have a closet religion)

I'm not ashamed of God (I don't have a closet religion)

I'll tell the world (I don't have a closet religion)

I don't (I don't)-REPEAT 15 TIMES

I got to let the world know  
where ever (where ever I go)  
I gotta praise (I got to praise him)  
I've got to praise him ( I got to praise him)  
I've got to praise him ( I got to praise him)  
And serve the (Serve the)  
(Oh Serve the)  
The Lord (Lord)
