When We Were Young We Thought We Knew Everything

Now Looking Back Hindsight Is Twenty Twenty

And Now I See All That You've Done For Me

Always Saw The Best In Me

I Can't Believe How Blind I've Chose To Be

Chasing After All My Crazy Foolish Dreams

Too Busy Playing May Believe

To See That You Were Always The One Standing Right In Front Of Me

Are You The One Who Worry Never Meant To Be

So Close So Far We Almost Had A Fairy Tail Ending

I Hope We Get Another Chance Someday

All I Can Do Is Pray

I'll Wait All Night And Day

You're The One Who Got Away
