

Lost In The Sun

Hinder

It's been seven years since that summer
Why'd you call me at all 'cause I'm with her now
You know you were hard to get over
I finally forgot our first time somehowHey
Don't bring it all back to me
Hey
I know this is hard to seeYou know, that summer we smoked in the sun
You know, it's only because we were young
That we promised to always remember
And we'd wind up together forever
But looking back we sure had some fun
A summer lost in the sunNo I don't think it's right that I see you
I'm tempted but taken I'm with her now
Just get over me baby you need to
If you don't we'll end up in a mess somehow
