

Drifter

Joanna

All the corners of my tainted heart are taken
Can you handle being second to my integrity?
I won't apologize, I'm selfish and I own it
Don't take it personal 'cause that's just me
Oh baby, that's just me, yeah I'm a drifter, ooh, I'm conflicted, ooh
I'm addicted to being on my own
I'm a drifter who's sick and twisted, who
Who won't listen to anyone but me
So what's it gonna be? All my bags are packed, the car is outside waitin'
Now I'm questionin' the promises of yesterday
And if tomorrow comes too fast, I won't be jaded
Got both feet planted, standing strong, that's where I'll be
Oh, oh, that's just me I'm a drifter, ooh, I'm conflicted, ooh
I'm addicted to being on my own
I'm a drifter who's sick and twisted, who
Who won't listen to anyone but me 'Cause my mind is drifting every day
You can try to find me anyway
So I'm okay 'bout drifting away All the corners of my tainted heart are taken
Can you handle being second? 'Cause that's just me
Oh baby, what's it gonna be? Hey yeah, I'm a drifter, ooh, I'm conflicted, ooh
I'm addicted to being on my own
I'm a drifter who's sick and twisted, ooh
Who won't listen to anyone but me I'm a drifter, what's it gonna be?
