

# San Angelo

## Marty Robbins

North of the border of Old Mexico  
I rode one day to the cowtown of San Angelo  
A hot sun was glowing, a warm wind was blowing  
Still not as warm as the lips that I waited to kiss  
Cheeks that would blush in red roses to shame  
Lips that were fresher than flowers when kissed by the rain  
Dark eyes that sparkled much brighter than diamonds  
She was a beauty, Socorro was my lovers name  
I met her down in Lorado  
Everyone there in this border town called her the 'Rose'  
Mexican cowboys drank to Socorro  
Everyone loved her but I was the one that she chose  
An outlaw above all the rest  
Now my heart beats so madly  
Soon she will be at my side  
She sent a message a long time ago  
Socorro had promised to meet me at San Angelo  
I was aware of the chance I was taking  
I was an outlaw but great was my love for this girl  
I must be with her, I can't stay away  
Nights spent without her are lonely and so are the days  
If it means death then I'll have to chance it  
Only a few moments more and she'll be in my arms  
At ten o' clock in the morning  
I tied my horse and I started to walk down the street  
Where was Socorro, had she forgotten  
This was the day and the hour that she wanted to meet  
But something is wrong with our plans  
And I fear death awaits me  
Here on this hot dusty street  
Up on a housetop but still I can see  
There hides a man with a rifle, it's pointed at me  
I might escape from the man with a rifle  
But there are others just like him that I cannot see  
Back of each window the click of a gun  
Die if I stay and my love for her won't let me run  
Where is Socorro, will my eyes see her  
Then in a moment she runs from a door down the street  
"Up on your horse", she is crying  
"Ride out of town, it's a trap and they're waiting for you"  
But if I ride out, she must ride with me  
Then in a moment I know that our chances are gone  
For a bullet is well on its way  
And it finds my Socorro  
She dies as she falls in my arms  
Tears dim my vision but plainly I see  
The ranger that killed her is standing there waiting for me  
I walk to meet him, my one thought is 'Beat him'  
He deserves death and I swear that this ranger will die  
I beat his draw and I shot him  
Shot him six times just as fast as the bullets would fly  
My gun is empty or more I would shoot him

Now there are others just like him that want me to die  
Their bullets are coming my way  
How they hurt when they hit me  
The pain makes me fall to the ground  
Gone is my strength, just the will left to fight  
I hear the sound of the lead as it robs me of life  
If I must die, let me find Socorro  
Let me hold on to her hand for the few moments left  
Blindly I search and it isn't in vain  
I touch the soft velvet hand and it eases the pain  
Life is no more but we're together  
Even in death she's my lover, it's over, goodbye
