Star 69

Litmus Green

What the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, they just strut
What the fuck? What the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what they know
But they don't know what is what
They just strut, what the fuck?
They just strut, what the fuck?
What the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what

But they don't know what is what
They just know what they know
But they don't know what is what
They just know what they know
But they don't know what is what
They just know what they know
But they don't know what is what
They just strut, what the fuck?
What the fuck?
They know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just strut, what the fuck?
They know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just know what is what
But they don't know what is what
They just strut, what the fuck?
What the fuck?
What the fuck?
What the fuck?
