Belinda

Roy Orbison

Oh, sweet, sweet Belinda
They say that you are looking for a home
Fresh out of a love affair, fresh out of hope
Fresh out of dreams
I know you're as strong as any human can be
But you need love, why don't you take it from me?
I know I ain't much, but you can have me for free
Belinda
Oh, sweet, sweet Belinda
You don't owe me no gratitude or love
We're just two souls stuck here
Two lonely rivers filled with light
Two lights shining in the darkness ahead
Two feet touching in a cold winter's bed
I promised you safety, but I loved you instead
Belinda
Oh, oh, Belinda, I'd die of loneliness
If you ever left, Belinda
Oh, oh, Belinda, I'd die of loneliness
If you ever left, Belinda
