My God Reigns

ALM: UK

I have a hope so sure
An anchor for my soul
My peace in the worst of times
I trust in God aloneLet every voice declare it nowMy God reigns
His love will never fail me
My God reigns He's ruling over all
In all my life
In every situation I know
My God is greater my God is over allBy faith I have believed
And on this truth I stand
No power in life or death
Can take me from His handAbove all sickness above all fear
Above every heartache here
In earth & heaven My God reignsAbove all power above all thrones
The greatest love I've ever known
Today forever my God reigns
