

Rest, Shame, Love

Augustana

Breaking up with your breakdown
Standing tall in your white gown
You're going nowhere, you're going fast
Slowing down but you'll never last
Take your time woman, take your time It's the wrong dream with the wrong man
With a cold gun in your own hand
Get it right this time, get it off your mind
Let the summer rain bring you rest and shame and love Carve your name in a black stone
Swear to God we won't let go
If you can't love babe then you can't hurt
We take the good times with the worst
Take your time woman, take your time It's the wrong dream with the wrong man
With a cold gun in your own hand
Get it right this time, get it off your mind
Let the summer rain bring you rest and shame and love It's the wrong dream with the wrong man
With a cold gun in your own hand
Get it right this time, get it off your mind
Let the summer rain bring you rest and shame and love
Let the summer rain bring you rest and shame and love
And love, and love, and love, and love, and love
