## Rest, Shame, Love

## **Augustana**

Breaking up with your breakdown
Standing tall in your white gown
You're going nowhere, you're going fast
Slowing down but you'll never last

Take your time woman, take your timeIt's the wrong dream with the wrong man

With a cold gun in your own hand

Get it right this time, get it off your mind

Let the summer rain bring you rest and shame and loveCarve your name in a black stone

Swear to God we won't let go

If you can't love babe then you can't hurt

We take the good times with the worst

Take your time woman, take your timeIt's the wrong dream with the wrong man

With a cold gun in your own hand

Get it right this time, get it off your mind

Let the summer rain bring you rest and shame and loveIt's the wrong dream with the wrong man

With a cold gun in your own hand

Get it right this time, get it off your mind Let the summer rain bring you rest and shame and love Let the summer rain bring you rest and shame and love And love, and love, and love, and love
