Shout It Out

Adam Crossley

so what? you say you got no money
but the kinda classy girl's that your pulling's kinda funny
we're living it up, we're pushing our luck
all day and night
sticking bottle's in the sand
makin' out under the banners
bikini's in the surf
picture perfect all around us
we're laughing it up, we're running a muck
no para-sight
hot damn, now i can not stop and stare
your messing with my mind don't care
girl i can't get enough
give me what you got if you dare
yeah i got my top down
my girl's still stunning
she's been running through my mind all day
i just wanna scream out it's the middle of the summer
maybe rock and roll is here to stay
i just wanna shout it out from the rooftops honey
wanna shout it out all night
i just wanna shout it out, shout it out, shout it out,
woah-oh-oh-oh
shout it out, shout it out, shout it out
woah-oh-oh-oh
so take a shot, if your feeling kinda heavy
hit the sun with your shades, and take a ride in my Chevy
we?re tearing it up, we?re feelin? a rush
we?re turning around
so baby hold on tight, gonna rev? it up
livin? life on the edge ain?t dangerous
we?re living it up, we?re pushing our luck
all day and night
hot damn, now I can not stop and stare
your messing with my mind don?t care
girl I can?t get enough
give me what you got if you dare

yeah I got my top down

my girl?s still stunning
she?s been running through my mind all day
i just wanna scream out it?s the middle of the summer
maybe rock 'n' roll is here to stay
i just wanna shout it out from the rooftops honey
wanna shout it out all night
i just wanna shout it out, shout it out, shout it out,
woah, oh oh oh
shout it out, shout it out shout it out,
woah, oh oh oh
slow it down just a little bit
bring down the roof just for the hell of it
bounce with the bass, and pop with the swig
live it up tonight like we just don?t care
slow it down just a little bit
bring down the roof just for the hell of it
bounce with the bass, and pop with the swig
live it up tonight like we just don?t care
(Just don?t care)
owww
yeah I got my top down
my girl?s still stunning
she?s been running through my mind all day
i just wanna scream out it?s the middle of the summer
maybe rock and roll is here to stay
i just wanna shout it out from the rooftops honey
wanna shout it out all night
i just wanna shout it out, shout it out, shout it out,
woah, oh oh oh
shout it out, shout it out shout it out,
woah, oh oh oh
i just wanna shout it out from the rooftops honey
wanna shout it out all night
i just wanna shout it out, shout it out, shout it out,
woah, oh oh oh
shout it out, shout it out shout it out,
woah, oh oh oh
