## Chicks On Speed

she's a glamour girl  
she stands so still  
wears a feather bra  
her hair so high  
it starts to sway  
when she brushes her teeth  
five times a dayburlesque attitude  
night-time thrill  
she's a glamour girl  
and her looks just kill  
beware of her kiss  
she'll suck you in  
five times a daylove her breasts  
forget the restburlesque attitude  
night-time thrill  
she's a glamour girl  
and her looks just kill  
beware of her kiss  
the spikes never miss  
she sucks you in  
she's in a spinshe's a glamour girl  
she's a glamour girlchicks on speed
