

# Goodbye Is Forever

## Arcadia

Sometimes you have no choice  
Sometimes you've got no voice to say  
Say if you will the words  
Say if your world is so gray We can decide this  
There'll be no tears, no tragedy  
Try, I wouldn't break and cry  
If you walk away and leave me Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever and ever Sometimes it makes no sense  
This side of cruel coincidence  
Caught up in our own barbed wire  
To set us free, believe this Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever and ever Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever and ever Hey, goodbye  
Goodbye is forever  
Hey, forever  
Goodbye is forever and ever
