

# Let Me Hear You Scream

## Hard Rock Sofa & Skidka

Let me hear you screamI'm black and bruised, beat up but still I take their blows  
'Cause all I need is blood and sweat and skin and bones  
I'll take this rage, rattle your cage, nobody said it's easy  
It's do or die, only the strong surviveGet ready for the last stand  
Get ready, I'm your hangmanLet me hear you scream like you want it  
Let me hear you yell like you mean it  
If you're gonna go down, go loud, go strong  
Go proud, go on, go hard or go homeLet me hear you, let me hear you  
Let me hear you, let me hear you  
Let me hear you screamI'll pull you up then push you right back in your place  
I'll take you down and wipe that smile right off your face  
I'll watch you break, you're mine to take  
Don't blink, you just might miss itIt's all or nothing, nowhere left to run  
Are you ready for the last fight?  
Get ready with the war cryLet me hear you scream like you want it  
Let me hear you yell like you mean it  
If you're gonna go down, go loud, go strong  
Go proud, go on, go hard or go homeLet me hear you, let me hear you  
Let me hear you, let me hear you  
Let me hear you screamLet me hear you scream like you want it  
Let me hear you yell like you mean it  
If you're gonna go down, go loud, go strong  
Go proud, go on, go hard or go homeLet me hear you scream like you want it  
Let me hear you yell like you mean it  
If you're gonna go down, go loud, go strong  
Go proud, go on, go hard or go homeLet me hear you, let me hear you  
Let me hear you, let me hear you  
Let me hear you scream
