Everywhere

Yellowcard

Turn it inside out so I can see
The part of you that's drifting over me
'Cause when I look you're, you're never there
But when I sleep you're, you're everywhere
You're everywhereTell me how I got this far
Tell me why you're here and who you are
'Cause every time I look, you're never there
And every time I sleep
You're always there'Cause you're everywhere to me
And when I close my eyes it's you, I see
You're everything I know
That makes me believe
I'm not aloneI recognize the way you make me feel
It's hard to think that
You might not be real
I sense it now, the water's getting deep
I try to wash the pain away from me
Away from me'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know
That makes me believe
I'm not alone
I'm not aloneAnd when I touch your hand
It's then I understand
The beauty that's within
It's now that we beginYou always light my way
There never comes a day
No matter where I go
I always feel you so'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know
That makes me believe
I'm not aloneYou're everywhere to me
And when I catch my breath
It's you I breathe
You're everything I know
That makes me believe
I'm not aloneYou're in everyone I see
So tell me

Do you see me?
