## Hell Orbs

She came into the shop, and said  
"I want to know what the problem is."  
I said "you don't want to know what the problem is."  
And she said "I want to know  
What the problem is  
So I can get the problem fixed."  
I said, "you don't want to know  
What the solution to the problem is and  
You don't want to know what your problem is."

She says, "how do you know that I'm not gonna like it?"  
I said "I know you're not gonna like it"  
So she said "Just tell me what it is and I'll tell you if I like it"  
And I said, "Maybe. Maybe I'll tell you."

She said "Why won't you tell me"  
I said "The problem's your ass."  
She said "What?"  
I said "The problem's your ass."  
She said "WHAT?"  
I said "The problem's your fucking ass  
Your ass is all fucked up and you got problems with your ass"  
She said "Why are you saying this to me?"  
And I said "It's your fucking problem  
You're the one with the fucked up ass."

She started to storm out so I said "Wait."  
She said, "What?" I said "Wait"  
She said, "What, is this about my ass?"  
And I said "No. Kind of  
Your ass is mad fucked up and you don't want to face the problem."  
She said "What's your problem?"  
I said "My problem is that you come in here  
With a fucked up ass  
And you don't want someone to tell you  
That your ass is fucked up

I don't even know how you got to the bathroom  
I don't even know how you sit on things  
When you stand up, where does your ass go?

Where was your ass in the first place?  
Where was your ass in 1969?  
Where was your ass on 9/11?  
I thought you said you'd never forget."

She said, "I'm leaving."  
And I said, "Not before you get your official diagnosis  
Here it is:  
You're fucked up and your ass is fucked up  
Are you ready for the solution?"  
She said, "What."  
And I said, "Here's the solution. Are you ready?"

Der Arschersetzer

I'm gonna replace your ass  
I'm gonna replace your ass  
I'm gonna take it off and replace it  
I'm the ass replacer. (ass replacer)

Ass replacer  
Ass replacer  
Ass replacer  
Ass replacer

Ass replacer  
If you're German  
Der Arschersetzer  
Das ist mein

Ass replacer  
Ass replacer  
Ass replacer

She said, "I don't need this."  
I said, "I need this, this is my job  
I'm the ass replacer."
