

Hunter of Love

Blue Cheer

(Dickie Peterson & Andrew "Duck" MacDonald)

I am the Hunter
Yeah, the Hunter of Love
And I never quit
I'll track you down anywhere you go
I said I'm always around
Ain't no escaping
I don't need to try
I got a real sharp eye
Cause I'm the Hunter
Yeah, the Hunter of Love
And I never quit. I'm the Hunter of Love
I will never let you down. I lay my tracks everywhere you go
I said I'm always around
I do my hunting by the candle light
In the middle of the night
And I light my field both red and warm
I like it hot and sweaty
Cause I'm the Hunter
Yeah, the Hunter of Love
And I never quit. I'm the Hunter of Love
I will never let you down
I'm the Hunter of Love
One man you'll always want around.
