

# What Can I Say

## The Colourist

Ever since you met me, I told you  
That I could never hurt you, but I thought to  
And ever since you've gone I've been living like nothing  
Ever could go wrong, but it turned into something  
Now I can't think about you, 'cause it hurts to It started off so nicely, I'd hold you,  
We'd talk about our dreams til one or two  
But dreaming does no good if you just fall through  
And if you get your hopes high, they'll crush you  
Now I can't think about you, 'cause it hurts to What can I say, what can I say, you've been gone for way too long  
What can I say, what can I say, I gave my heart away  
I gave my heart away (I can't think about you, 'cause it hurts to)  
I gave it all away (I can't think about you, 'cause it hurts to) And ever since you met me, I told you  
I need someone to talk to, get close to  
'Cause when I think I'll see you, there's an excuse  
And there's nothing to talk through, you're not here to  
So I've got to forget you and I'm trying to  
I can't think about you, 'cause it hurts to  
I can't think about you, 'cause it hurts to What can I say, what can I say, you've been gone for way too long  
What can I say, what can I say, I gave my heart away  
I gave my heart away (I can't think about you, 'cause it hurts to)  
I gave it all away (I can't think about you, 'cause it hurts to) I can't think about you 'cause it hurts to  
I can't think about you 'cause it hurts to  
I say, I can't think about you 'cause it hurts to  
I can't think about you 'cause it hurts to  
I can't think about you 'cause it hurts to
