Here It Goes Again

OK Go

It could be ten, but then again

I can't remember half an hour since a quarter to four

Throw on your clothes, the second side of Surfer Rosa

And you leave me with my jaw on the floor, hey!Oh, just when you think you're in control

Just when you think you've got a hold

Just when you get on a rollOh here it goes, here it goes, here it goes again

Oh, here it goes again

I shoulda known, shoulda known again

But here it goes again

Oh, oh here it goes againIt starts out easy, something simple, something sleazy

Something inching past the edge of reserve

Now through the lines of the cheap Venetian blinds

Your car is pulling off of the curb, hey!Oh, just when you think you're in control

Just when you think you've got a hold

Just when you get on a rollOh, here it goes, here it goes, here it goes again

Oh, here it goes again

I shoulda known, shoulda known again

But here it goes againOh, here it goes

Oh, here it goes

Oh, here it goes again

Oh, oh here it goes againOh oh

Oh, here it goes, yeah

Oh, here it goes again, hey hey

Oh, here it goes, alrightI guess there's gotta be a break in the monotony

But Jesus, when it rains how it pours

Throw on your clothes, the second side of Surfer Rosa

And you leave me, yeah, you leave meOh, here it goes, here it goes, here it goes again

Oh, here it goes again

I shoulda known, shoulda known again

But here it goes againOh, here it goes, oh, here it goes

Oh, here it goes again

I shoulda known, I shoulda known

But here it goes againOh here it, oh here it

Oh here it, oh here it

Oh here it goes againI shoulda, I shoulda

I shoulda, I shoulda

I shoulda knownOh oh oh

I shoulda known

Oh, here it goes again

Oh, oh here it goes again
