

# Call Me Anyway

Zack Knight

When you're winded  
And you don't who to call  
I'll be on guard  
24/7  
I never too far  
I'm always present and I...  
I'll be the One You Rely On  
I'm Your Rescue Team  
Standing by Ready

In Emergency's you never have to worry  
When you can't sleep at night  
I'll be on the Other Line  
And I'll come To Your Rescue  
So Remember That You can call me  
Call me whenever you want me  
Call me whenever you miss me  
Even when you have nothing to say  
Just call me anyway  
Whoa Whoa Whoa Whoa  
Even when you have nothing to say  
Just call me anyway  
I'll Give More Than Advice  
I will show you what you're missing

No matter what the time, the time or the place with me on the line you will never have to wait and no  
There aint no other helpline

That Will take away the pain I promise I endeavor I'll keep you safe now and forever

When you can't sleep at night  
I'll be on the Other Line  
And I'll come To Your Rescue  
So Remember That You can call me  
Call me whenever you want me  
Call me whenever you miss me  
Even when you have nothing to say  
Just call me anyway  
Whoa Whoa Whoa Whoa  
Even when you have nothing to say  
Just call me anyway  
Make sure you got me on speed dial  
Cuz when you need me I will

Bring a light back into your life  
Yeah  
Make sure you got me on redial  
Cuz I wanna see you Smile  
Girl you know just what to do  
Grab your phone and  
Call me whenever you want me  
Call me whenever you miss me  
Even when you have nothing to say  
Just call me anyway  
Call me whenever you want me  
Call me whenever you miss me  
Even when you have nothing to say  
Just call me anyway  
Whoa Whoa Whoa Whoa  
Cuz I'll Be waiting  
Even when you have nothing to say  
Just call me anyway  
Whoa Whoa Whoa Whoa  
Cuz I'll Be waiting  
Yes I'll be waiting  
Even when you have nothing to say  
Just call me anyway
